PARKER HIGH SCHOOL

greenville, south carolina

Dear Student

As you turn the pages of this Parkerscope you will be turning back through another year at Parker High. You will see your teachers, your classmates, and your friends. You will be reminded of the classes you loved and the ones you haven't loved so well.

For you Sub-Freshmen, it will represent the first of your years at Parker. For you who are Freshmen it will mean that you have come one step further in your high school career. For you who are Sophomores and Juniors, it will mean that you are now a step closer to your long-awaited Senior year. And for you who are Seniors, it will represent your last year at Parker, and therefore your dearest.

To all of you, I sincerely hope that this 1950 Parkerscope will bring much pleasure and happiness now and in the years to come.

Best wishes always,

JOLEEN LITTLEJOHN

Foreword

Alma Mater

Midst the hum of her industries,
As the beacon's beaming light,
To her children's best endeavors
Parker High School lends her might.
In honor, truth, and wisdom
She her highest ideals hold,
And makes us ever loyal
To the Purple and the Gold.

When duty calls us onward,
Achievement's goal to find,
Parker ties will ne'er be broken.
Still her sheltering arms entwine.
And across the distant spaces
Tales of fame and prowess bold,
Will reflect the Parker Spirit
And the Purple and the Gold.

Dedication

Mrs. Fannie Laura Simpson

Because of your untiring service to faculty and students alike—of your many kind deeds that so often seem unnoticed—your gentleness and understanding attitude toward all—your ever-present smile—your patience and wonderful personality—we choose you, Mrs. Simpson, "Our Guiding Star"—and proudly present to you this the 1950 Parkerscope.

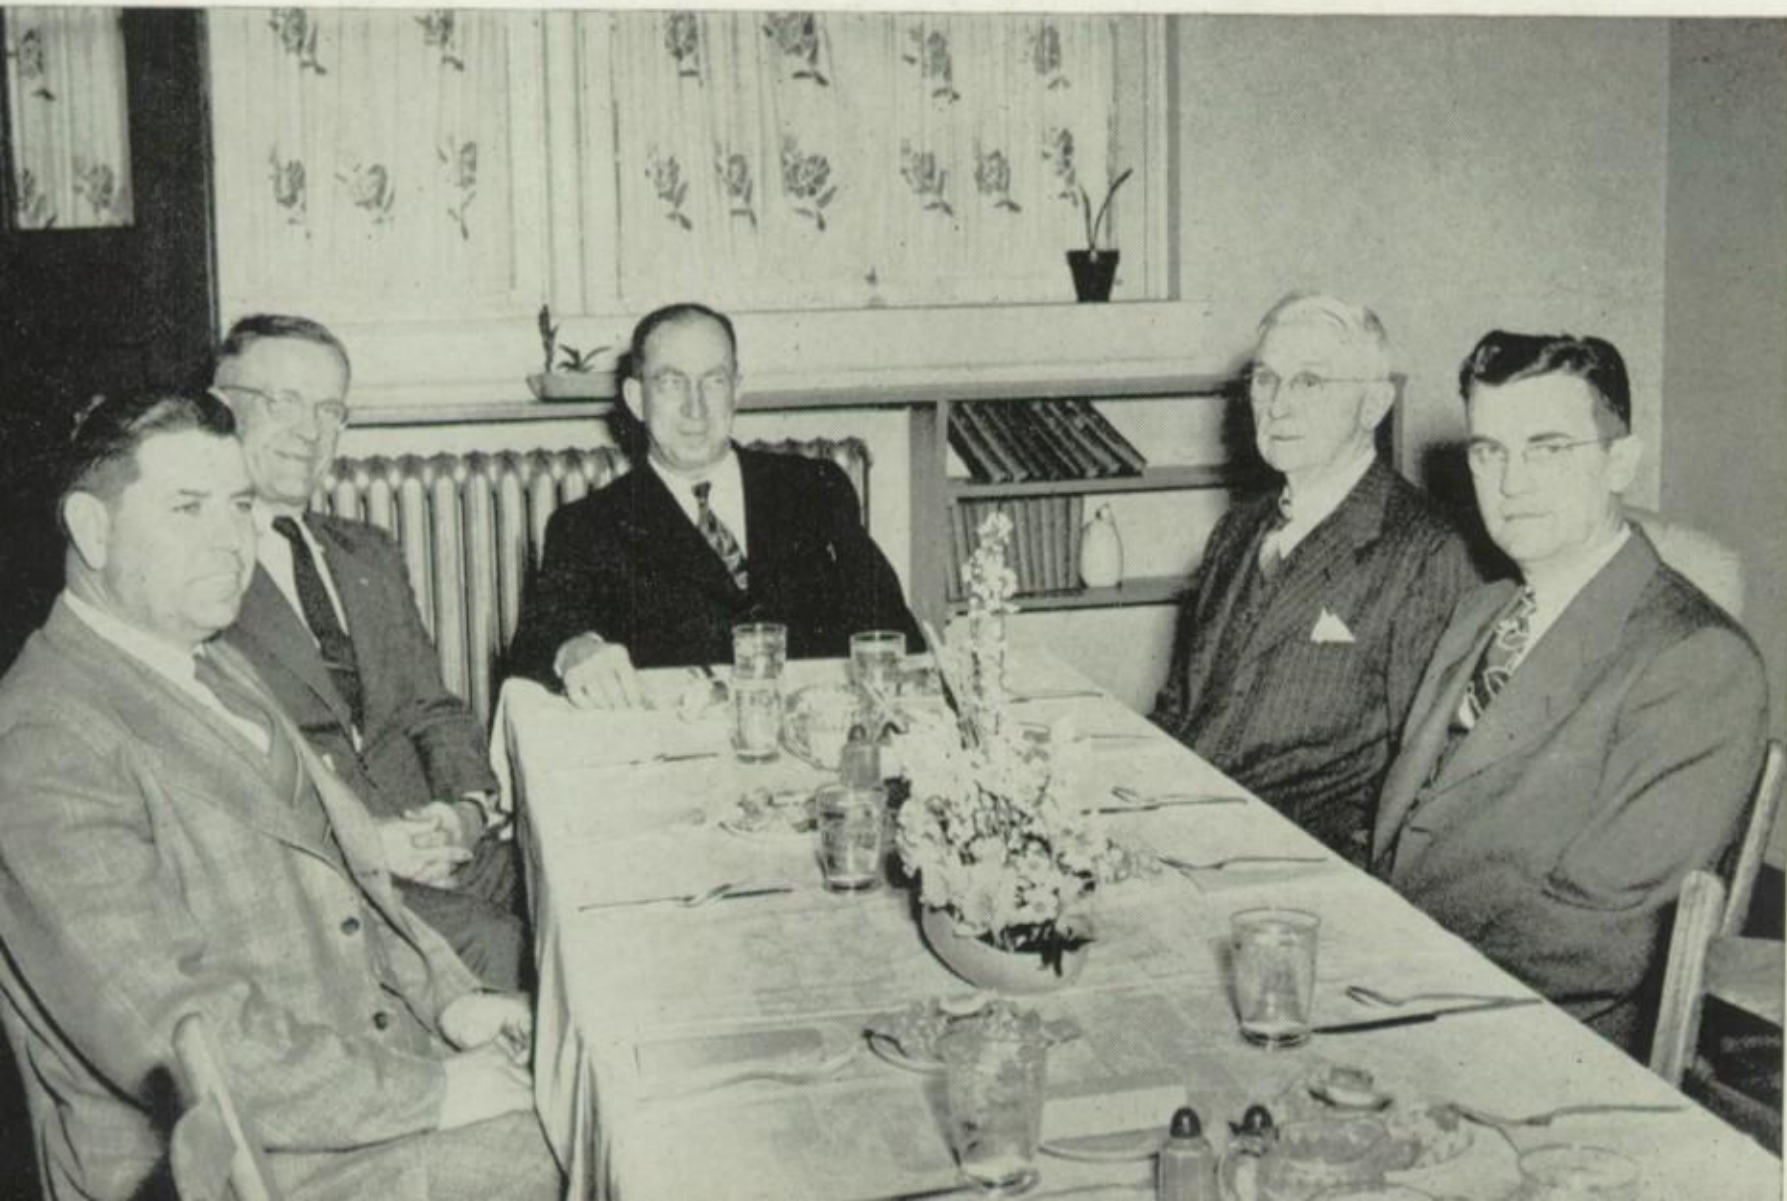

Administration

- ★ Only under the leadership of our administration could we, the students of Parker High, have made so much progress this year.
- ★ Our student government, which is known throughout the state, is carried on with their utmost approval.
- ★ The members of the administration look on Student Government not as a silly undertaking of the students, but as something alive and vital to the student body as a whole. They also encourage us to set our goals upward, so that we may someday find our destiny "written in the sky."

1. Joe waits to introduce the "Student of the Month" at a P. T. A. meeting.

2. Mr. Rice talks with the parents of one of his students.

Parker's Parent-Teacher Association brings the "outsiders" most interested in our education—our mothers and fathers—into association with those other important people concerned, our teachers.

In their monthly meetings, P. T. A. members hear programs presented by our Talent Bureau and other student groups; they discuss the school activities and talk over individual student progress.

SENIOR PRAYER

Our Father, as we bow our heads in prayer,

We realize that a milestone has been reached in our lives.

The time has come when we leave these "corridors of learning"

To take our places in the world.

Our prayer as we leave our school is that we may be able

To use the knowledge we have gained,

According to the purpose that our God has for us.

May we take our places in our communities and in our

Jobs in a manner that will glorify our God,

And grant us the happiness that surpasses all understanding,

That comes only from God.

Our Father, we are thankful for our school and for the Christian men and women who compose our faculty and executive departments.

We pray thee to continue to bless our school and to

Guide it in the Christian and Democratic way which

We have learned to love.

And now as we depart we pray,

"God Bless Us, Every One."

AMEN.

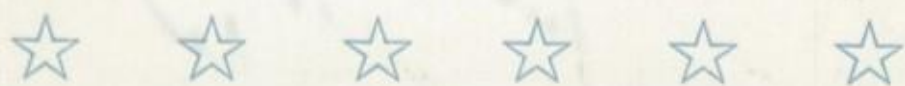

By Wilton Bagwell,
Senior Chaplain.

Dear Virginia,
You have been an
excellent student for me
for three long years and I
still have another year to go.
I truly appreciated your helpfulness
toward me and the class.
I hope that you make your future as
bright a success as you have your school days.
I have a nice memory of you and I'll be seeing
you next year.

(Don't get angry with you -
forget it.)

FOOTBALL CAPTAINS

On The Record

Beginning the year with four returning lettermen, Coach "Whitey" Kendall led his team to a very successful season. The team played ten games, two of them out of state.

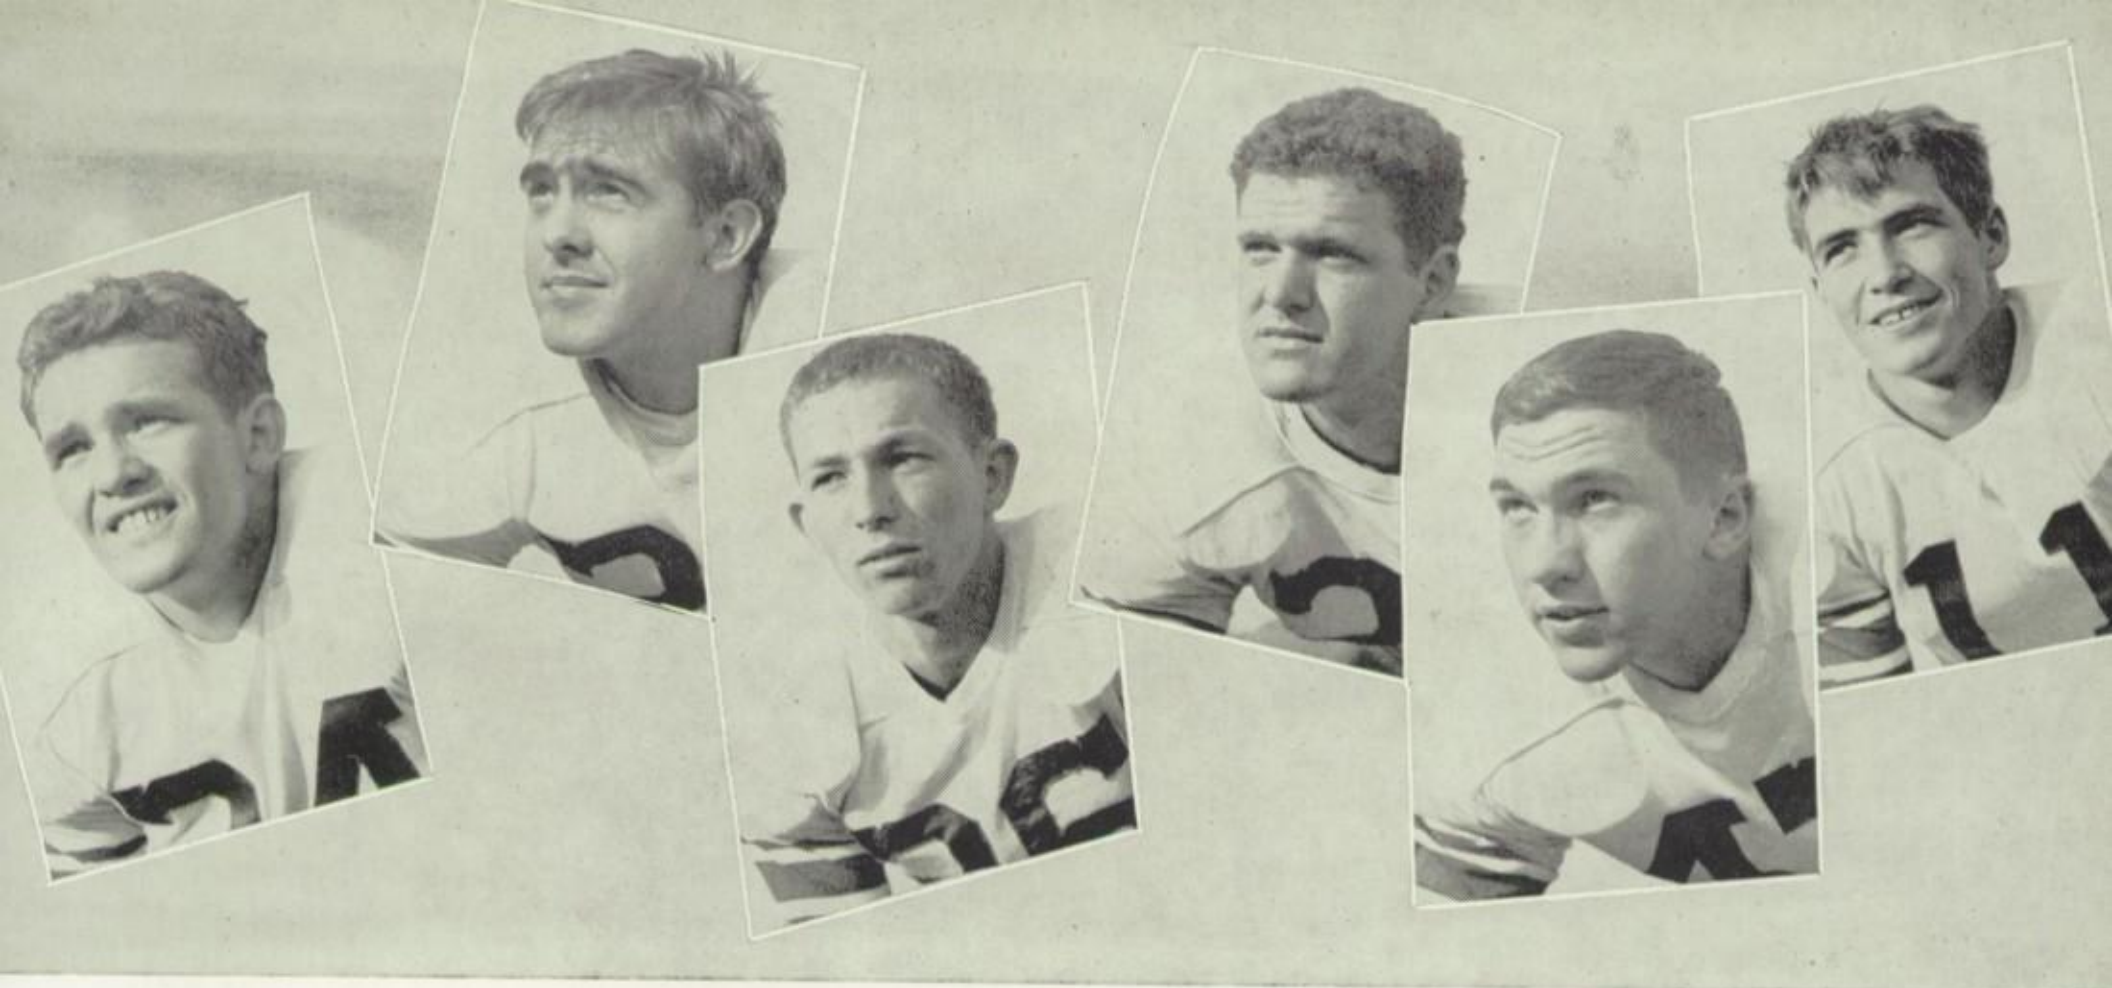

While losing only two battles, to Greenwood and Columbia, the Tornado thundered over Florence, Liberty, Spartanburg, Easley, Gaffney, Lancaster, Olympia and Anderson. One of the hardest wins that Parker had was with Spartanburg, where in the final minutes Parker scored seven points to win seven to six.

As usual on Thanksgiving Day the Parker-Greenville game was played. Both teams played with high spirit to a 20-20 tie. This game was fought before a crowd of 22,000 which backed their favorite all the way.

At the end of the season, the team had its annual football banquet. At the banquet "Blackie" Durham was elected most valuable player and was awarded a trophy for this. It was announced that Danny Bagwell and Jerry Hendrix were elected co-captains for next year's team.
